1. Introduction

This policy aims to set and maintain standards of conduct that we expect all trustees to follow.

By creating this policy, we aim to ensure that trustees carry out their role with honesty and integrity, and help us to ensure our school is an environment where everyone is safe, happy and treated with respect.

The code is based on the [academy trust governance guide](#) and the [Academy Trust Handbook](#). It should be read alongside our constitutional documents (e.g. our articles of association, standing orders and any scheme of delegation). Failure to follow the code of conduct may result in disciplinary action being taken, as set out in the appendix.

Please note, this code of conduct is not exhaustive. If situations arise that are not covered by this code, trustees should use their judgement and act in the best interests of the trust and its pupils.

2. The 7 Nolan principles of public life

As trustees, we will follow these [principles](#) set out by the government, at all times. They apply to anyone who holds public office:

- **Selflessness** – we will act in the public interest
- **Integrity** – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests
- **Objectivity** – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias
- **Accountability** – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary
- **Openness** – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so
- **Honesty** – we will be truthful
- **Leadership** – we will actively promote and support the above principles and will challenge poor behaviour wherever it happens

3. Trustees' responsibilities

In trusts, the purpose of governance is to provide:

- strategic leadership
- accountability and assurance
- strategic engagement

In order to do this effectively, as individuals we will:

- Understand and respect the distinction between the role and responsibilities of the board and those of the executive leadership

- Set and maintain an ethos of high expectations for everyone in the community of every school, including in the conduct and the professionalism of the board itself
- Promote equity and diversity throughout our organisation, including the board's operation
- Not undermine fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- Operate and make decisions in the best interests of pupils, informed by the views and needs of our key stakeholders (pupils, parents/carers, staff, local communities and the local authority)
- Follow the trust's policies and procedures, and the procedures of the board as set out in relevant legislation, statutory guidance, and the trust's constitutional documents
- Take responsibility for our self-evaluation, regularly reviewing our board's performance, constitution and skillset
- Take part in any training and development required to fill any gaps in the skills we need for effective governance
- Understand that where responsibility has been delegated, the board as a whole remains accountable and that important decisions relating to core functions will be made by the full board
- Comply with relevant guidance and legislation, and our funding agreement, which sets out how we must manage our trust's money, and procure goods and services
- Act with integrity and transparency when making financial decisions, and understand that our financial management and decision making will be scrutinised and audited
- Declare all gifts and record them on the gifts and hospitality register. We will not accept bribes
- We will work to actively identify and manage risks to the trust.

4. Working with others

We will:

- Support and strengthen trust leadership by providing constructive challenge to leaders, and holding them to account
- Respect the role of the executive and school leadership teams, and avoid routine involvement in operational matters.
- Respect each other's views
- Work together as a board to develop effective relationships with stakeholders
- Engage meaningfully with the community that we serve and understand that we are answerable to these stakeholders
- Follow the [Equality Act 2010](#), and apply the principles of fairness and equity in everything we do

5. Commitment to governance

We:

- Will attend all meetings where possible. Where we cannot attend, we will explain our valid reason and give suitable notice.

- Understand and accept the time and workload commitments of the role
- Understand that work should be shared among members and that all trustees are expected to take an active role
- Will prepare ahead of meetings, reading all papers in advance, to ensure we make informed contributions
- Will participate in regular pre-arranged in accordance with our trust policies
- Will attend any training or development activity needed to ensure the board has a wide range of skills and expertise

6. Openness and transparency

Conflicts of interest

To make sure our board takes impartial decisions without bias, we will:

- Publish an up-to-date register of business and pecuniary interests of all trustees.
- Declare any potential conflicts of interest at the beginning of each meeting, and withdraw from the meeting for the relevant item of business and not vote on the matter

Appendix 1: Breaches of the code of conduct

If we suspect a trustee has breached the code of conduct, we will follow this procedure:

- A member of the trust will investigate
- A member of the trust will hold a meeting with the trustee to discuss the issue. The trustee can bring a friend to the meeting. Another trustee will attend to corroborate any decisions
- If the situation doesn't improve, or there is another suspected breach, we will take action to improve the issue. This may involve:
 - Further meetings with the member to reset expectations, based on this code of conduct
 - Support, mentoring or training for the trustee
 - Making sure the trustee withdraws from votes connected to any disputes they have been involved in

If there is no improvement in the trustee's behaviour, the board will vote on a motion to ask the members to remove them in accordance with sections 168 and 169 of the [Companies Act 2006](#) and the trust's articles of association. This is a last resort and will not be used without the above steps being taken, except in exceptional circumstances.

Trustees may be removed if they:

- Have acted in a way that is inconsistent with the professional ethos of the board of trustees/local governors (including failing to undertake training appropriate to the role, whether or not directed to do so by the board)
- Have brought, or are likely to bring, the academy trust or the office of the trustee into disrepute
- Have acted to undermine fundamental British values or the board's commitment or ability to deliver on its Prevent duty

- Have displayed repeated and serious incompetence
- Have acted in a way that is significantly detrimental to the effective operation of the board, or their actions have interfered with the operational efficiency of the school
